

# Optimizing Peer-to-Peer Data Distribution and Fault Tolerance in Torrent Networks

*Lucas Newman c3500964, Leon Fardell c3310032*

COMP1010, S1 2025

Your abstract here (briefly summarize your research topic and main findings).

## 1 Introduction

Introduction content here...

## 2 Technical Analysis

Technical details here...

## 3 Results

Include visuals, graphs, and performance comparisons here...

## 4 Discussion

Discuss implications and ethical considerations here...

## Abstract

## 5 Conclusion

Summarize key findings and future directions here...
